Dear ClearStar U.S. Shareholder,

Removal of U.S. Securities Law Legends

As a year has passed since ClearStar, Inc. (the "**Company**") was floated on the Alternative Investment Market ("**AIM**") of the London Stock Exchange, U.S. shareholders who are not "affiliates"¹ as defined under the U.S. Securities Act of 1933 as amended (the "**Securities Act**") and who have held their ordinary shares in the capital of the Company (the "**Ordinary Shares**") for at least 12 months ("**Qualifying Securities**") are now free to sell them without restrictions other than the contractual restrictions on trading referred to as "orderly marketing" addressed in the Lock In Deed executed by certain shareholders, the Company and Cenkos Securities plc, shortly before the Company floated its shares on AIM.²

Since all U.S. shareholders' share certificates contain a legend restricting transfer which can slow down the sale process. We are offering all U.S. non-affiliate shareholders the opportunity to have these legends removed now or in the future. This will allow interests in Qualifying Securities to be settled in electronic form within the CREST System as Depository Interests.

CREST is a UK and Irish electronic paperless share transfer and settlement system that allows shares and other securities to be held in electronic rather than paper form. As the Company is not a UK or Irish company, transactions in its Ordinary Shares cannot be undertaken direct and electronically through CREST.

The Company has established a Depository Interest facility with Capita IRG Trustees Ltd ("**Capita**"), with effect from 14 July 2015, in terms of which Capita will issue Depository Interests to qualifying shareholders on a one-for-one basis for each Qualifying Security in the Company held by that qualifying shareholder. Capita will appear on the register of shareholders of the Company as the shareholder, but the beneficial interest and all rights in the shares will remain with the original shareholder. The benefit of dematerialisation is that the Depository Interests can be held and transferred through CREST, thereby enhancing the liquidity of the Company's Ordinary Shares.

In order to exchange your Ordinary Shares for Depository Interests and hold a position in CREST, a holder must: (1) have a CREST account, or (2) have a relationship with a broker who is able to hold shares in CREST on behalf of the holder in a nominee arrangement. In either case, the movement of shares into CREST is a straightforward process and can be achieved by the completion of a CREST Transfer Form which can be obtained from your own broker, as described in the next paragraph.

Next Steps

¹ The term "affiliate" means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the Company, and generally includes officers, directors and 10% shareholders.

² Company officers, directors and employees will also need to comply with the Company's Share Dealing Code.

If you wish to hold your ordinary shares in electronic form, you will need to arrange for the legend to be removed from your current share certificate(s), please sign the enclosed Letter of Transmittal and Declaration Form and return them, together with the legended share certificates to Capita, confirming that your securities are Qualifying Securities (see definition above). Capita will then arrange for a clean certificate or certificates to be reissued and sent to you. An envelope addressed to Capita is enclosed for your convenience. It will greatly facilitate any future sale of your shares if the legends are removed from the shares as soon as possible.

Upon receipt of the cleansed certificate, you will need to submit this to a UK broker together with a completed CREST Transfer Form which is obtained from the broker. Your broker will then deposit your Ordinary Shares into CREST via the Crest Counter.

If you wish to hold your Ordinary Shares in electronic form, please also complete sign and return the enclosed Certification Letter to Capita on behalf of the Company at the address listed at the top of the Certification Letter.

Cenkos Securities plc who are Company stockbrokers, will be happy to assist you with transactions in the Ordinary Shares or to answer questions you may have about the sale process. You may reach Max Hartley of Cenkos by telephone at +44 (0)20 7397 8925.

Feel free to contact Nicolas Dufour at 678.999.8048 if you require further information about any of this.

Yours sincerely,

Dear Sir / Madam,

The undersigned (the "**Holder**") requests that Capita issue a new share certificate or certificates without restrictive legends for the stated number of shares that represent the Holder's ordinary shares in exchange for its existing share certificates.

The Holder is the holder _____ ordinary shares (the "**Shares**") in the capital of the Company, represented by certificate number(s) _____.

- 1 The Holder hereby certifies to the Company and Capita as of the date hereof that:
- (a) it is not officer or director of the Company and is not otherwise an "affiliate"³ of the Company within the meaning of Rule 144 under the United States Securities Act of 1933, as amended (the "**US Securities Act**") and has not been an affiliate during the three month period prior to the date hereof: AND
 - (a) either:
 - (i) the Holder has continuously held the Shares for a period of at least 12 months; OR
 - (ii) the Holder acquired the Shares from a seller that was not the Company or an affiliate of the Company, in a trade that occurred through the facilities of AIM and otherwise in an "offshore transaction" meeting the requirements of Rule 904 under the US Securities Act and the Shares were not "restricted securities"⁴ when acquired by the Holder; OR
 - (iii) the Shares were "restricted securities" when acquired by the Holder but, as of the date hereof, a period of at least 12 months has passed since the Shares were acquired from the Company or an affiliate of the Company and any restrictions indicated on the certificate representing the Shares have lapsed.
 - (b) The Holder will not sell the Shares in the United States without complying with applicable United States securities laws.
 - (c) The Holder understands that in connection with any proposed sale of the Shares, the Holder may be required to furnish to you such certifications, legal opinions and other information as the Company and Capita may reasonably require to confirm that the proposed sale complies with the foregoing restrictions.
- 2 If the Holder becomes an affiliate of the Company after the date hereof, the Holder agrees to take all steps necessary to immediately transfer the Shares out of an unrestricted line of Depository Interests, if applicable, held by it and to ensure that any Shares held by the Holder are either (i) represented by a share certificate in certificated form bearing such restrictive legends as the Company may require regarding the Holder's affiliate status in accordance with the US Securities Act and applicable law or (ii) transferred to such restricted line of Depository Interests as may be established by agreement between the Company and Capita from time to time.
- 3 The Holder understands and agrees that the Company and Capita will be under no obligation to comply with the Holder's request that the Shares be converted into uncertificated form for

In the event of any questions, independent legal advice should be obtained regarding affiliate status.

⁴ The Shares would be "restricted securities" within the meaning of Rule 144 under the US Securities Act if they had been acquired from the Company (or an affiliate of the Company) and would bear a legend describing the applicable restrictions. The Holder should obtain legal advice regarding whether the Shares are "restricted securities" and/or whether the Shares are "restricted securities" and/or whether the Shares are subject to any restrictions or transfer.
