ClearStar forms Strategic Partnership with Veritas Prime
Partnership offering Veritas' SAP® SuccessFactors® Clients Seamless Access to Background Screening Integration

ClearStar, Inc., the technology and service provider to the background screening industry, is pleased to announce a strategic partnership ("the Partnership") with Veritas Prime ("Veritas"), a leading provider in SAP® SuccessFactors® sales, services and support through www.HelpMyCloud.com, to offer Veritas' clients an opportunity to quickly and seamlessly adopt ClearStar's industry-leading, mobile background screening solutions for their current hiring process.

Under the Partnership, SAP® SuccessFactors® clients will be able to take advantage of a candidate-friendly screening process designed specifically through the combination of ClearStar's innovative solutions, such as its mobile candidate portal, ScreenMeNow, and Veritas' strength in implementing SuccessFactors. This combination may also give a competitive advantage to companies in overcoming the cumbersome hiring processes to help clients hire the right talent they need to grow their business in a timely manner.

"We are very excited for this strategic partnership with ClearStar. Veritas Prime is committed to providing excellence in all offerings to our clients. In line with our own values; we have been impressed with the model, flexibility, and customer service that ClearStar offers SuccessFactors clients. The ability to partner and provide ClearStar, an industry leader for background screening, as an option to our clients will be invaluable," said Raj Sharmacharya, Managing Partner at Veritas Prime.

"We are proud to partner with Veritas Prime, a SAP Partner with SAP Recognized Expertise in cloud HR solutions," added Robert J. Vale, Jr., CEO of ClearStar. "As a fellow SAP partner and business built on cloud technology, we share a common purpose in leveraging the SuccessFactors platform to deliver solutions that offer a more agile HR experience. We are confident that this partnership will bring value to SuccessFactors clients struggling to marry the demands of a workforce on the go and its constant need to attract and retain the best talent."
