

Unmatched Experience with SAP SuccessFactors Recruiting Clients

ClearStar is the Better. Easier. Safer. Faster. Workforce Screening Integration

- **The Better, Easier, Faster, Safer SAP SuccessFactors Recruiting Experience:** With 40+ integrations completed, ClearStar is the “easy button” as SAP’s leading integrated workforce screening solution.
- **Seamless SAP Integration:** The industry’s most robust, feature rich, and seamless SAP SuccessFactors background check integration available in the App Store.
- **Award Winning Technology:** ClearStar is a 4x HRO Bakers Dozen Award Winner, a SAP Innovation Award Nominee, and the technology backbone for 50+ other screening firms.
- **A Modern Candidate Experience:** Mobile friendly, text enabled, flexible, automation enabled, digital ID and e-signature capable solution for background, drug, and occupational health screening needs, domestic and globally.
- **A Single, Secure, Background & Medical Solution:** Simplify your business with a partner that provides a single invitation for background, drug, and occupational health screening solutions that meet the highest industry standards with both PBSA & DATIA certifications.
- **100% US Based Customer Service & Operations:** NPS scores 4x the industry average and 98%+ client retention prove SAP and its customers are our priority. SAP customers and candidates don’t have to deal with nightmare offshore contact centers with ClearStar.
- **Assured Compliance™:** Work with SAP and ClearStar and benefit from the industry’s only solution that automates the management of constantly changing local, state, and federal FCRA, consent, and adverse action requirements for candidates across the US.

“Unique provider with outstanding service who truly partners with us.”
- People Operations, Global Staffing Company

"ClearStar has always been a proven leader in their field and dealing with them has been effortless!" - HR Executive , Premier Multinational security company
